

Lucía Zabía Mata

General Secretary for Technical Affairs

Academic background

Bachelor's Degree in Law and Diploma in Business Administration and Management from the Universidad Pontificia de Comillas (ICADE), Madrid.

Civil servant of the High Corps of Civil Administrators of the State since 2010.

Professional experience

General Secretary for Technical Affairs of the Ministry of Economy, Trade and Business since January 2024.

Head of the Technical Office of the Undersecretary for Economy, Trade and Business from 2018 until 2022 and senior advisor in the same office from 2018 until 2022, providing legal counsel on a broad range of matters within the Ministry.

She held various positions in the Technical Deputy General Secretary of the Ministry of Home Affairs, where she was mainly responsible for processing legislative proposals and of the transposition of European directives between 2014 and 2018.

She worked in the support unit to the Cadastre General Director at the Ministry of Finance, providing legal assistance to the unit between 2010 and 2014.
